components, it's about
giving you confidence
on every journey.***

Welcome to Clear Cover Warranties

Thank you for choosing Clear Cover Warranties. We're genuinely glad you're here. At Clear Cover Warranties, our mission is simple: to give you confidence in every mile you drive. We believe protection should feel reassuring, not complicated — which is why our plans are built on transparency, fairness, and real support when you need it most.

Every warranty we offer is designed to safeguard you from unexpected repair costs and to keep your ownership experience smooth, stress-free, and fully supported. Whether it's your engine, gearbox, turbo, or the unexpected "that shouldn't be making that noise," we're here to help you stay on the road with confidence.

Clear Cover Warranties is built on a simple belief: protection should be clear, reliable, and genuinely helpful. We specialise in providing comprehensive mechanical and electrical warranty cover designed to remove the uncertainty from vehicle ownership. With straightforward terms and transparent benefits, we make it easier for drivers to stay protected without the stress of unexpected repair bills.

Our team brings years of industry experience and a commitment to honest, customer-focused service. We work with trusted repair networks and uphold high standards of support, ensuring that when you need us, we're ready to deliver fast, fair, and efficient assistance.

Without a warranty in place, unexpected vehicle repairs can quickly become costly. Our warranty protects you against these surprise expenses by covering thousands of parts and offering a wide range of valuable benefits. On top of that, our friendly, knowledgeable team is always on hand to support you, giving you confidence that your vehicle is well looked after.

We'll help cover the cost of repairs — including parts, labour, and VAT — up to your individual claim limit. A brief overview of what's included is shown below; for full details and any exclusions, please refer to the relevant sections.

Estimated prices for repair based on the average claim amount (varying vehicle to vehicle)
